Permit B

PROFILE

I am a MSc Mechanical Engineer with a strong background in leading teams, project management and machine design. Fluent in 4 languages.

Familiar to working in high-uncertainty innovation projects and solving problems systematically.

LANGUAGES

- English ●●●●○
- French ●●●●○
- Spanish ●●●●●
- Italian ●●●●●

EDUCATION

FORMATION MONTRE MECANIQUE **MARCH 2022**
[École Technique de la Vallée de Joux](#) Switzerland

STRATEGY ROADMAP AND INNOVATION **JULY 2022**
[Massachusetts Institute of Technology](#) USA (online)

MECHANICAL ENGINEERING **2003**
 Especialized in Materials
[Università di Bologna](#) Italy
 ERASMUS Scholarship **1999**
[University of Strathclyde](#) UK

SOFTWARE PACKAGES

- Project Management (e.g. MS Project, Teamworks)
- Brainstorming & mind-mapping tools
- 3D design & analysis (e.g. SolidWorks, AutoCAD, Ansys)
- ERPs (e.g. SAP, Navision), Office 365

INTERESTS & MORE INFO

- Jogging, biking and aspirant sailor, lover of music and modern dance
- Reading essays, sci-fi

SKILLS

Team Leading: Team organization and inspiration. Setting goals and evaluation of performance. Recruitment

Project Management: Project charter, schedule and WBS. Reporting

Mechanical design: Design, modelling, prototyping, and testing

LATEST WORK EXPERIENCE

PHILIP MORRIS INTERNATIONAL **OCT 2019 – AGO 2021**
 Senior Engineer Neuchâtel, Switzerland
 • Leading projects in machine innovation
 Main achievement: Mapped Cardboard Tubes equipment suppliers

TEPACK S.L. **SEP 2018 - FEB 2019**
 Manager Technical Department Polinyá, Spain
 • Managed a team of 4 engineers
 Main achievement: Radical speed up of design + manufacturing

NESTLE PURINA **OCT 2013 - AGO 2018**
 Senior R&D Engineer Amiens, France
 • Leading Research & Development projects
 Main achievement: Selection and purchase of a new type of prototype equipment

SERVOMEX LTD. **APR 2011 - SEP 2013**
 Senior Mechanical Engineer Crowborough, UK
 • Design and testing of lab grade gas analyzers
 Main achievement: Became proficient in testing and validation

DYNEX TECHNOLOGIES LTD. **DEC 2008 – MAR 2011**
 Senior Mechanical Design Engineer Worthing, UK
 • Design of automatized biomedical equipment
 Main Achievement: Became proficient in design for biomedical

MECALUX S.A. **MAR 2006 – NOV 2008**
 Manager - R&D department Barcelona, Spain
 • Manager of R&D department
 Main achievement: Set up a new R&D department (6 designers)

STE GROUP S.R.L. **APR 2003 – FEB 2006**
 R&D Engineer Barcelona, Spain
 • Designer of FFS machines for pharma/food
 Main achievement: Managed the design review of a project

STUDIO TECNO-F **SEP 2001 – FEB 2003**
 Freelance designer Bologna, Italy
 • Designed machine parts and tooling for OEMs
 Main achievement: Became an autonomous designer
